EXPERIENCE

❖ HOME TUTOR

I have taught all subject from class 6 to class 8 mainly Higher Mathematics, General Mathematics, Science & English. From class 9 to 10 Physics, Mathematics and Chemistry and ICT. For Inter 1st and 2nd year student, I feel comfortable teaching Physics and Mathematics. Also I have taken some classes on English and ICT on some occasions. I give extra care to my student who fails to understand my lectures. I'm good at managing the tough situations.

❖ PRIVATE SCHOOL TEACHER

For two months I have taken class of ICT in a private school as a teacher. There I learned the basic of taking class in in a huge crowd.

EDUCATION

➤ UNIVERSITY (2017 – NOW)

Currently Under Graduate student in Computer Science And Engineering at Pabna University of Science and Technology.

➤ COLLAGE (2014-2016)

I have studied at Rajshahi Govt City Collage and Obtained GPA 5.00 at Higher School Certificate (HSC).

➤ HIGH SCHOOL

I have studied in Rajshahi Govt Education Board Model School and Collage. Obtained GPA 5.00 in Secondary School Certificate (SSC) in 2014.

About Me

I'm very confident about myself. I have always been consistent in learning new things and I love to teach others what I've learned through my times. It gives me pleasure when I see the smile on someone's face when they gain an amusement after learning something new.
